Qualifying:

Players finishing the season in the top ten (and ties) in the Champ, A, B Flights of a Local Tour's points standings, qualify for the National Tour Championship. Players finishing the season in the top 15 for C Flight qualify for the National Tour Championship. ***The D Flight will allow only the top five players in each tour to qualify for the National Tour Championship.*** To be eligible for the Tour National Championship, players must have competed and returned valid scores for at least 4 tournament rounds. If a player chooses to move down a flight during the season, that player must play 3 rounds in the lower flight (after movement) to qualify to play in the lower flight at Nationals.
